Lewisham Art House is delighted to invite you to PLAY/MAKE – an exciting, interactive exhibition that celebrates the long tradition of running and hosting learning projects at the Arthouse. It will showcase the wide and varied programmes we support, including musical events, adult classes, film evenings, children’s art lab, ceramics, mosaics, printing, life drawing, photography and painting as well as the popular Graduate and Curatorial Awards that we run.

This exhibition also profiles our outreach work at local schools and estates, such as the “Making Works”, sponsored by Affinity Sutton, Lewisham People’s Day, Deptford X and our events at major London galleries, including the Tate Modern and The South Bank Centre.

Come along and try one of our free taster workshops on Sat 22nd & Sun 23rd April 2 – 5 pm - there will be something for everyone !
